

CALL FOR APPLICATIONS TO ROCK METAL FEST

Pulsano 17 august 2015

The "Rock Metal Events Onlus" association is proposing once again the ROCK METAL FEST , at its seventh edition, with the purpose of promoting the rock/ metal activity.

The application to the selection and to the show of ROCK METAL FEST are free for all the bands. Either registration fees or participation retributions are not provided. Neither refunds of any kind will be provided.

The "Rock Metal Events Onlus" association will make it available for the selected bands a stage, a professional sound/light system and a sound technician. To apply the bands have to fill in every part of the contract notice, the general conditions, the registration form and send the required material, as specifically indicated. Every shortcoming will prejudice the participation. The selection of the bands wich will perform the night of august 17h will be made on the basis of the sent material that will be not returned. The deadline for the material to be received is may 31 st 2015 and cannot be extended. The bands which performed in the previous edition are not allowed to take part in selections in order to give the chance to participate to the highest number of bands. The unquestionable selected bands as well as the soundcheck and performance timetable will be communicated promptly by the art director Angelo Lippolis. The bands are required to respect the timetable and not to create problems which can interfere with the smooth running of the show.
